**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do use a competitive provider. Their service is significantly better AND cheaper. Without them I am stuck with limited choices from companies that do not feel competition.

As a teacher, I fully support MORE AFFORDABLE broadband competition. As a neighbor of families that are not wealthy, I support more affordable options for them as well.

Thank you.
